ICA50211 DIPLOMA OF DIGITAL AND INTERACTIVE GAMES

The world is but a canvas to our imaginations.

Be part of the future of gaming. Make your dream a virtual reality!

Students get a 17” Alienware Laptop*, loaded with the latest software to support their learning.

evocca.edu.au

*Students will be loaned their 17-inch Alienware Laptop with all necessary software after they successfully complete one unit of competency and pass 2nd census date. Only when they successfully complete the course will the Alienware Laptop become their property.
Imagination is the only prerequisite!

With our Diploma of Digital and Interactive Games, you will develop the skills and knowledge to work in a variety of areas within the digital and interactive games industry.

You will get the opportunity to develop the design, graphic/digital media and programming skills required in the development of digital games projects, either as a small independent specialist or as part of a larger team.

You will also be learning to work in the same world class technology used to make leading games such as Batman Arkham City, Borderlands 2 and Dishonoured.

Course details:
The Diploma of Digital and Interactive Games is a 18 month course consisting of 16 units of study that are broken up into 4 major clusters of learning.

You’ll learn to:*

• Design and build great games
