“Innovation distinguishes between a leader and a follower.”

Steve Jobs, Entrepreneur

Get plugged in to a career in IT!

ICA50111 Diploma of Information Technology

Students get a HP EliteBook* loaded with the latest software to support their learning.

*Students will be loaned their HP EliteBook with all necessary software after they successfully complete one unit of competency and pass 2nd census date. Only when they successfully complete the course will the HP EliteBook become their property.
ICA50111 Diploma of Information Technology

Are you ready to innovate, inspire and engage others?

With our Diploma of Information Technology, you will learn the skills and knowledge required to administer and manage information and communications technology (ICT) in a variety of workplace settings.

You will also develop higher-level technical skills in areas such as networking, IT support, database development, programming, and web development, so you’ll be at the centre of the big decisions your business makes.

Course details:
The Diploma of Information Technology is a 18 month course consisting of 20 units of study that are broken up into 4 major clusters of learning.

You’ll learn to:*  
- Identify IT requirements in any business and provide hardware solutions  
- Spot and rectify network problems  
- Understand how to design, configure and test a network server  
- Manage the security of a network  
- Setup an enterprise virtual computing environment  
- Oversee and coordinate IT projects

* Refer to Evocca College website for full list of units
