ICA50911 DIPLOMA OF DIGITAL MEDIA TECHNOLOGIES

The digital revolution has not just arrived, it has well and truly settled in.

Be part of the next big thing in digital media!

Students get a 15" MacBook Pro* loaded with the latest software to support their learning.

*Students undertaking the Diploma of Digital Media Technologies will be loaned their 15-inch MacBook Pro with all necessary software after they successfully complete one unit of competency and pass 2nd census date. Only when they successfully complete the course will the MacBook Pro become their property.
Want a career in Digital Media?

With a Diploma of Digital Media Technologies from Evocca, you will develop the skills and knowledge you need to be competent in designing, developing and refining digital technologies, as an independent Information Communications & Technology (ICT) specialist or as part of a team.

With the continuing rise of social media, this is your opportunity to be a part of a dynamic industry, working in new and emerging digital areas such as web design, video and film production and mobile app development.

Course details:
The Diploma of Digital Media Technologies is a 18 month course consisting of 18 units of study that are broken up into 4 major clusters of learning.
